

JP+ Children's Health Study Donation Breakdown

For every JP+ CHS order, a donation is made to the JP+ Children's Research Foundation, which supports charities focused on children's health and wellness. Each JP+ Rep. is responsible for a proportionate share of this \$30 contribution to support the JP+ CHS for each participant we, and our team, enroll in the study. These contributions are deducted from our checks for each year a participant remains in the study (three years maximum).

NOTES:

Any Distributor who is paid on this order will donate a proportionate share to the foundation (for the entire year)

If the order is yours and you are paid RSP (as a Dealer) your contribution is \$10.00 (for the entire year)

If the order is yours and you are paid as a DD (6%) you will donate an additional \$2.35 = \$12.35 (for the entire year)

If the order is yours and you are a VF (14%) you will donate an additional \$3.14 + \$2.35= \$15.49 (for the entire year)

If the order is yours and you are SC or higher (22%) you will donate an additional \$3.14 + \$3.14 + \$2.35 = \$18.63 (for the entire year)

The \$10 is paid upfront for the entire year. The additional contributions will be divided by the customer's payment method;
for example: if the customer is on a 4 month installment, the additional contribution is divided by 4
